

Song 2 With perfect blessings, Lord, You come

Psalm 21 (the king rejoices in God's strength, crown of gold, long life, victory over enemies); Revelation 19:12 ("on his head are many crowns"); Psalm 103:4 ("who crowns you with steadfast love and mercy"); Revelation 19:11–16 (Christ as King with many crowns, judging enemies)

With perfect blessings, Lord, You come in radiant might
You crown my head with gold, Your glory shining bright
I seek from You long life, my prayer to You I raise
You grant me endless years, eternal through Your grace

Through Your salvation, Lord, my glory is made great
You clothe me with Your honor, Your majesty my state
In Your presence, joy abounds, my heart with rapture sings
Your eternal blessings fill my soul with heavenly springs

With perfect blessings, Lord, You come in radiant might
You crown my head with gold, Your glory shining bright
I seek from You long life, my prayer to You I raise
You grant me endless years, eternal through Your grace

By Your great mercy, Lord, I shall not be dismayed
You grant my heart's desire, Your will shall be my aid
Arise, O Lord, in strength, Your power I proclaim
I'll sing and dance Your praise, exalting Your great name

With perfect blessings, Lord, You come in radiant might
You crown my head with gold, Your glory shining bright
I seek from You long life, my prayer to You I raise
You grant me endless years, eternal through Your grace

My foes' designs You crush, their seed from earth erased
Their line among mankind, by Your decree displaced
Your arrows pierce their face, Your wrath in fire consumes
Your righteous anger burns, their evil You entomb

With perfect blessings, Lord, You come in radiant might
You crown my head with gold, Your glory shining bright
I seek from You long life, my prayer to You I raise
You grant me endless years, eternal through Your grace
